Trustee Dianne Jones Stands Against Parents

On October 30th, 2022: Trustee Dianne Jones signed and released a pledge that smeared parents who oppose her radical and dangerous indoctrination agenda as “Christian Nationalists” and “extremist groups.”

In the same pledge she acknowledged that school employees, rather than parents, are best qualified to make decisions regarding curriculum and library materials.

I, Jennifer Kavouniaris, stand united with parents to preserve parental oversight in public education.

If you care about your parental rights, vote for Jennifer Kavouniaris (JEN K) for FUSD.
